G.O. No.L.9004-9016/Ml.251-30-1, dated 11th May 1931 directing among other things that the submission of the half-yearly D.C.B. Statements of municipalities be discontinued and that half-yearly reports of progress in the collection of municipal dues be submitted to Government by Deputy Commissioners in the case of Town and minor municipalities, and by the Municipal Commissioner and the President in the case of Bangalore and Mysore City Municipalities respectively, cases of serious negligence in collection work being specially and promptly reported to Government whenever necessary.

Order No. 7528-36 /Ml.244-31-1

Dated, Bangalore the 7.5.1932.

Government regret to observe that the half-yearly reports referred to above have not been received from any of the officers till now, though it is nearly a year since the report was prescribed.

2. To ensure prompt and systematic collection of Municipal taxes it is quite necessary that adequate supervision should be exercised by the higher authorities by periodical scrutiny of the progress in this behalf and without regular collections the Municipal Councils cannot fulfil their obligations and carry out improvements in towns and villages. Under Rule 80 of the Municipal Account Manual a D.C.B. Statement has to be submitted every month to the Municipal Council by the Munici-

municipal authorities concerned with a view to ~~review~~ the progress in the collections Being reviewed. If the Rule is strictly followed, much of the accumulation of arrears will disappear, ~~and~~ and instances of Municipal councils defaulting in the payments of Medical and other contributions due by them to Government Departments and approaching Government with requests for waiving them, of which there are many now, will not occur. It, therefore, behoves all concerned, non-officials and officials alike, to pay the best attention possible to the work of collection and see that it is kept up to date.

+ And it is needless to say that we welcome prompt & systematic collection of taxes and every improvement in this direction that is possible in any locality.

Government also desire to be kept ~~closely~~ ~~informed of~~ kept in touch with the progress in the matter and are accordingly pleased to direct, in modification of the G.O. dated 11th ~~September~~ May 1931 read above, that a quarterly return showing the Demand, Collection and Balance of each Municipality in the State, in the form appended to this order, be submitted by the Deputy Commissioners in the case of town and minor municipalities, and by the Municipal Commissioner and, Presidents, respectively, in the case of Bangalore and Mysore Cities, before the 15th of the month succeeding the quarter to which the return relates.
